

TRACSCON 2026

NATIONAL CONFERENCE ON TRAUMA & ACUTE CARE SURGERY

7TH MAY 2026 - PRECONFERENCE WORKSHOPS: AGENDA (2 HOURS EACH)

Simulation Centre, 4th Floor, SRM Medical College Hospital
& Research Centre, Kattankulathur, Chennai

Each workshop is designed for 2 hours duration with focused hands-on learning, faculty interaction, and practical skill acquisition.

WORKSHOP A: VASCULAR ANASTOMOSIS

FACULTY: Dr Joses Dany James, Dr Vignesh Kumar

AGENDA:

- Introduction & Objectives of the Workshop
- Demonstration: End-to-End and End to Side Anastomosis
- Hands-on Practice – End-to-End and End to Side Anastomosis
- Discussion, Q & A, Key Takeaways

WORKSHOP B: BOWEL ANASTOMOSIS

FACULTY: Dr Y C Veerabhadhra, Dr Rajarajan K

AGENDA:

- Introduction & Objectives
- Demonstration: Hand-Sewn Bowel Anastomosis
- Hands-on Practice – End-to-End Anastomosis
- Faculty Feedback, Q & A, Key Takeaways

WORKSHOP C: EMERGENCY TRAUMA SKILLS

FACULTY: Dr Shananth Saravanan H, Dr C M Dhileeban
Dr S Hariprasad, Dr Nilesh Jagne

AGENDA:

- Introduction & Objectives
- Emergency Airway Management – Practical Pearls
- Demonstration: Airway Techniques
- Hands-on Practice – Airway Stations
- Tube Thoracostomy & Chest Trauma Skills
- Demonstration + Hands-on Practice
- Discussion, Q & A, Common Mistakes

TRACSCON 2026

NATIONAL CONFERENCE ON TRAUMA & ACUTE CARE SURGERY

7TH MAY 2026 - PRECONFERENCE WORKSHOPS: AGENDA (2 HOURS EACH)

**Simulation Centre, 4th Floor, SRM Medical College Hospital
& Research Centre, Kattankulathur, Chennai**

WORKSHOP D: POCUS IN TRAUMA & ACUTE CARE SURGERY

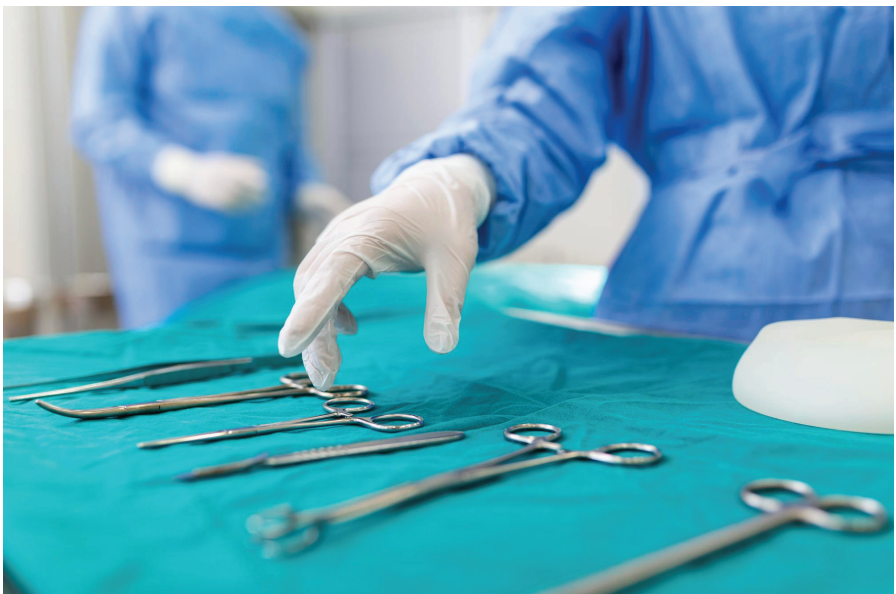

FACULTY: Dr Aravind M, Dr P Linnet

AGENDA:

- Introduction & Objectives
- Live Demonstration: FAST & E-FAST
- Hands-on Scanning Practice
- IVC Assessment & Volume Status
- POCUS Beyond FAST in Acute Care Surgery
- Hands-on + Discussion + Q & A

IMPORTANT NOTES

- Limited seats (maximum 20 participants per workshop)
- Workshops will run in different time slots
- Participants may register for more than one workshop
- Workshop registration is separate from conference registration
- Certificates will be issued for workshop participation

PROGRAMME - 08th May 2026, Friday - HALL A

TIME	TOPIC	SPEAKER
08:00 - 09:00 Hrs	<p>TRAUMA: Damage Control Surgery Chairpersons: Dr. Vikram Yogish, Dr. Vignesh Kumar, Dr. Rachiith Sridhar</p> <p>Damage Control Resuscitation: What truly saves Lives?</p> <p>Damage Control Surgery: Indications, Limits & Pitfalls</p> <p>Abdominal Closure After Damage Control Surgery</p>	<p>Dr. Ramesh Vaidyanathan <i>Trauma Surgeon, Ganga Hospital, Coimbatore</i></p> <p>Dr. YC. Veerabhadra <i>Assistant Professor, General Surgery, St. John's Medical College Hospital, Bangalore</i></p> <p>Dr. Abdul Hakeem <i>Assistant Professor, Traumatology & Surgery, SRM Medical College Hospital, Chennai</i></p>
09:00 - 10:00 Hrs	<p>ACUTE CARE SURGERY Chairpersons: Dr. V.T. Arasu, Dr. K.S Ravichandran, Dr. Ajay Raja A, Dr. Anand K</p> <p>Damage Control in Acute Care Surgery – how Is it different?</p> <p>Sepsis Bundles: What a Clinician Must Know in ER</p> <p>Abdominal Compartment Syndrome: Recognition and Decompression</p>	<p>Dr. Athira Gopinathan <i>Professor & HOD, General Surgery, SRM Medical College Hospital, Chennai</i></p> <p>Dr. Swarnalingam <i>Professor & HOD, Critical Care Medicine, SRM Medical College Hospital, Chennai</i></p> <p>Dr. Purushothaman <i>Professor & HOD, Trauma & Emergency, AIIMS Madurai</i></p>
10:00 - 11:00 Hrs	Inauguration	
11:15 - 12:15 Hrs	<p>TRAUMA - Every General Surgeon Must Know Chairpersons: Dr. T.P. Jeyaselva Senthilkumar, Dr. Sujith Valayudhan Indira, Dr. R. Santharam</p> <p>TBI- What do the BTF guidelines recommend</p> <p>Emergency Thoracic Trauma Management: Needle, Tube and Seal</p> <p>Mangled Extremity: When to Salvage and When to Amputate</p>	<p>Dr. Majid Anwer <i>Associate Professor, Trauma Surgery & Critical Care, AIIMS Patna</i></p> <p>Dr. Nilesh Jagne <i>Assistant Professor, Trauma & Emergency, AIIMS Nagpur</i></p> <p>Dr. Vijay Anand B <i>Professor & HOD, Orthopedics, SRM Medical College Hospital, Chennai</i></p>

PROGRAMME - 08th May 2026, Friday - HALL A

TIME	TOPIC	SPEAKER
12:15 - 13:15 Hrs	<p>ACUTE CARE SURGERY: Soft Tissue Injury & Infections Chairpersons: Dr. Sukria Nayak, Dr. Jose Dany James, Dr. K Vivekananda Subramanianathan</p> <p>Necrotising Soft Tissue Infections – Recent Advances</p> <p>Traumatic Soft Tissue Injuries – Primary Closure or Not</p> <p>Compartment Syndrome: Early Recognition and Fasciotomy in the Emergency Setting</p> <p>NPWT and Hyperbaric Oxygen Therapy in Soft Tissue Infections and Injuries</p>	<p>Dr. Sushma Sagar <i>Professor, Division of Trauma Surgery & Critical Care, JPNATC, AIIMS New Delhi</i></p> <p>WG.CDR. (DR) Shrikant Manwatkar <i>Trauma Surgeon, Command Hospital, Bengaluru</i></p> <p>Dr. V T Arasu <i>Professor & HOD, General Surgery, Chengalpattu Medical College, Chengalpattu</i></p> <p>Dr. R. Santharam <i>Professor & HOD, Plastic Surgery, SRM Medical College Hospital, Chennai</i></p>
13:15 - 13:45 Hrs	Lunch break	
13:45 - 14:45 Hrs	<p>ACUTE CARE SURGERY: Abdominal Emergencies Chairpersons: Dr. Vishnu Teja Muddu, Dr. D. Balaji, Dr. Raajeshwaran MA, Dr. P. Sankaralingam</p> <p>Acute Appendicitis: Evidence-Based Management for the Acute Care Surgeon</p> <p>Minimal Access Surgery in Perforation Peritonitis: Are we there yet?</p> <p>Contaminated Peritoneum: Is Mesh Safe?</p>	<p>Dr. M. Kanagavelu <i>Consultant Surgeon, St. Isabel's Hospital</i></p> <p>Dr. Naveen Alexander <i>Professor, General Surgery, Sri Ramachandra Medical College Hospital & Research Institute, Chennai</i></p> <p>Dr. Paul Trinity Stephen, <i>Associate Professor, General Surgery, Christian Medical College, Vellore</i></p>
14:45 - 15:45 Hrs	<p>EMERGENCY DEPARTMENT I Chairpersons: Dr. Kanagavelu M, Dr. Adithya A Venkat, Dr. R. Raj Bharath</p> <p>Missed Injuries in Trauma: Why They Happen in the ED</p> <p>Massive Transfusion Protocol- when and what?</p> <p>Errors in Trauma Resuscitation: Lessons from Real Cases</p>	<p>Dr. Nithyanandan <i>Senior Consultant & HOCS, Emergency Medicine, Sri Ramachandra Medical Medical Centre</i></p> <p>Dr. Hari Prasad <i>Assistant Professor, Emergency Medicine, SRM Medical College Hospital, Chennai</i></p> <p>Dr. Dhileeban <i>Assistant Professor, Emergency Medicine, SRM Medical College Hospital, Chennai</i></p>
15:45 - 16:00 Hrs	Tea break	

PROGRAMME - 08th May 2026, Friday - HALL A

TIME	TOPIC	SPEAKER
16:00 - 17:00	<p>TRAUMA: Neck & Vascular Trauma Chairpersons: Dr. Vignesh Kumar, Dr. Majid Anwer, Dr. Nilesh Jagne Initial Assessment and decision making in Vascular Trauma</p> <p>Temporary Vascular Shunts: An Underutilised Life-Saving Tool in Vascular Trauma</p> <p>Neck Trauma: Evaluation and Surgical Approaches</p>	<p>Dr. Rachith Sridhar Trauma Surgeon, KG Hospital, Coimbatore</p> <p>Dr. Vishnu Teja Muddu Assistant Professor, Traumatology & Surgery, SRM Medical College Hospital, Chennai</p> <p>Dr. Harshit Agarwal Associate Professor, Emergency Medicine & Trauma, Shri Ram Murti Smarak Institute of Medical Sciences, Rae Bareilly, UP</p>
17:00 - 18:00 Hrs	Inaugural General Body Meeting - ISTAC South Regional Chapter	

PROGRAMME - 08th May 2026, Friday - HALL B - 09:00 am - 10:30 am

Paper Presentation Schedule & Guidelines

Presentation Format

8 minutes presentation + 2 minutes discussion

Total: 10 minutes per paper | Maximum 6 slides only

2 Judges + 1 Moderator

TIME	TOPIC	PRESENTER
09:00 AM – 09:10 AM	Application of Nerve Blocks in Upper and Lower Extremity Trauma Patients Presenting to the Emergency Department of a Tertiary Care Hospital: A Prospective Observational Study	Dr. Sayan Kr Das
09:10 AM – 09:20 AM	Blunt Cardiac Injury in Patient with Polytrauma	Dr. Vishal O
09:20 AM – 09:30 AM	Comparison of MGAP and Other Early Physiologic Trauma Scores for Predicting 24-Hour and 30-Day Mortality in Adult Trauma Patients: A Retrospective Cohort Study at Level One Trauma Center, Christian Medical College, Vellore	Dr. Natnael Gebeyehu Admassu
09:30 AM – 09:40 AM	When Obstruction Deceives: A Diagnostic Trap	Dr. A.U. Niveditha
09:40 AM – 09:50 AM	Hollow Viscus Injury in Blunt Abdominal Trauma: A Case Series Analysis of Incidence and Outcomes	Dr G. Mounikashri
09:50 AM – 10:00 AM	Bull Gore Injuries: Deceptive Trauma with Distinct Patterns	Dr. S. Karthika
10:00 AM – 10:10 AM	Unraveling the Complexity: Acute Intestinal Obstruction in a Tertiary Care Centre – A Case Series Study	Dr. T. Balaji
10:10 AM – 10:20 AM	A Comparative Study on Acceleration and Deceleration Injuries in Blunt Abdominal Trauma at a Tertiary Care Centre	Dr. Katherine Martha
10:20 AM – 10:30 AM	Cracks in the Chest, Clues in the Abdomen: A Case Series on Solid Organ Injury Associated with Rib Fractures	Dr. Vasanthakumar V
10:30 AM – 10:40 AM	DECODING SHOCK AT THE BEDSIDE –IMPACT OF POCUS GUIDED EVALUATION ON DECISION MAKING AND TIME TO INTERVENTION IN TRAUMATIC SHOCK- A CASE SERIES	Dr. Hariitha Kumari PL

PROGRAMME - 08th May 2026, Friday - HALL B - 09:00 am - 10:30 am

Guidelines for Paper Presentation

- ❖ Kindly prepare your presentation in 16:9 slide size PowerPoint (PPT/PPTX) format
- ❖ Maximum 6 slides only
- ❖ Please keep any video clips (if included) in the same folder
- ❖ Personal laptops will not be permitted
- ❖ Please report to the preview room well before your session
- ❖ Kindly adhere strictly to the allotted time

Recommended 6-Slide Format

1. Title, Authors & Institute
2. Background & Aim
3. Methods
4. Results
5. Discussion
6. Conclusion

Paper Presentation Awards

The top three presentations will be recognized during the Valedictory Session:

- 1st Prize** *Best Paper Presentation Award*
2nd Prize *Second Best Paper Presentation Award*
3rd Prize *Third Best Paper Presentation Award*

Poster Presentation Station Allocation

STATION 1 | 11:00 am - 11:30 am

1. Missed Ureteric Injury in High-Grade Abdominal Trauma Leading to Septic Shock- **Dr. Ashok Kumar**
2. Diagnostic Laparoscopy in Penetrating Stab Injuries of Abdomen: 4 Illustrative cases from a Tertiary Care Centre- **Dr. Nikhitha Prem**
3. A Deceptive Puncture: Rapid Hemodynamic Collapse from an Isolated Mesenteric Injury Following Low-Velocity Impalement - **Dr. Sarvesh Mohan Ranawade**
4. Saving Time, Losing Ground: The Sepsis Challenge in DCS - **Dr. Meenakshy Arunraj**
5. Rescue from the Brink: A Life Saved – A case of Damage Control Surgery - **Dr. Malini M**
6. Duodenal Perforation at D3 Following Blunt Abdominal Trauma - **Dr. S. Thilothkumar**

STATION 2 | 11:00 am - 11:30 am

1. Contrast Blush to Scalpel Rush: When lack of Interventional Radiology leads to splenectomy - **Dr. Adeline Bhagya**
2. Conservative Management of High-Grade Splenic Injury in Blunt Abdominal Trauma: A prospective Observational Study - **Dr. R. Ranjithkumar**
3. Challenging the norm: Non-Operative Management of Grade V Splenic Injury - **Dr. Arya Sivakumaran**
4. When Seconds Matter: A Case of Severe Polytrauma with Dual Grade V Solid Organ Injury Managed Surgically.- **Dr. Nivethitha Bharathi**
5. Multidisciplinary Management of Polytrauma Involving Moderate Head Injury, Grade III Liver Laceration, and Multifactorial Acute Kidney Injury - **Dr. Roshan Immanuel**
6. Traumatic Diaphragmatic Injuries in a tertiary care hospital- a case series - **Dr. Hemavathi K**

Poster Presentation Station Allocation

STATION 3 | 11:00 am - 11:30 am

1. Tube of Success - **Dr SRI LAKSHMI KANTHAN . P**
2. A BATTLE TO BREATHE: UNRAVELING A RARE CASE OF PERSISTENT PNEUMOTHORAX - **Dr. Sarah Atheeqe V**
3. Is It Time to Recognize Chronic Pain as an Indication for Rib Fixation? Analysis of a Delayed Presentation and Functional Restoration - **DR. SRINIDI MUTHU P**
4. ATYPICAL IMAGING FINDING AS A KEY TO DIAGNOSING OCCULT TRAUMATIC DIAPHRAGMATIC HERNIA - **Dr. Rutuja Bhosale**
5. IMPALED BUT ALIVE– A RARE CASE OF THORACO-ABDOMINAL IMPALEMENT WITH SURVIVAL - **Dr. K. Vijay**

STATION 4 | 11:30 am - 12:00 pm

1. SHEARING FORCES UNMASKED: A COMPLEX PERINEAL DEGLOVING INJURY IN POLYTRAUMA – **Dr ,Joel Joseph**
2. Penetrating Perineal Trauma Sparing the Rectum: A Rare Transpelvic Injury Involving Bladder and Cervico-vaginal Structures – **Dr. Priyanka Madhoo**
3. BENEATH THE BRUISE - THE SILENT DEGLOVING MOREL LAVALLE LESION - **DR.HARITHA KUMARI PL**
4. A masked case of bilateral anterior chest wall - **Dr. Abishek**
5. Hippopotamus Bite Causing Severe Polytrauma: A Rare Case with Multidisciplinary Management - **DR.SRIKANTH THIYAGARAJAN**
6. Severe Polytrauma Following Road Traffic Accident Complicated by Septic Shock and Rhabdomyolysis-Induced Acute Kidney Injury: A Multidisciplinary Critical Care Approach- **Dr Roshan M**

STATION 5 | 11:30 am - 12:00 pm

1. THE HIDDEN CATASTROPHE - FROM IMPACT TO INFARCT A Rare case of Acute ischemic stroke following Blunt trauma to neck due to carotid artery dissection - **Dr. Haritha Kumari PL**
2. A Fatal Case of Traumatic Aortic Dissection: Challenges in Emergency Resuscitation and Surgical Management - **Dr. Prem Kumar D. S**
3. BLAST OUTSIDE LOOK FOR BLAST INSIDE - **Dr.AMAL RAJ SEBESTIN P**
4. Saving Time, Saving Lives: The Role of Early Surgery and Multidisciplinary Management in Complex Polytrauma - **Dr. K.V. Sai Nandan**
5. Diurnal Variation in Trauma Presentation and Outcomes: A Retrospective Observational Study at a Tertiary Trauma Centre in South India - **Dr. Richard Stanley**
6. A Rare Case of giant epidermal inclusion cyst of the scalp - **Dr. Rudresh**

STATION 6 | 11:30 am - 12:00 pm

1. THE DECEPTIVE CALM – A CASE SERIES ON ACUTE MESENTERIC ISCHEMIA - **Dr. Mathuvanathi S**
2. Acute adult intussusception associated with renal cell carcinoma and metastasis - **Dr. Deepan Kumar**
3. Spontaneous Esophageal Perforation (Boerhaave Syndrome) Presenting as Hydropneumothorax - **Dr. Ambarish**
4. TRAUMATIC INCIDENTAL DIAGNOSIS OF RENAL AND UROGENITAL DISEASES: A CASE SERIES - **Dr. Suresh Kumar A**
5. Abdominal Tuberculosis Mimicking Malignancy: A Case of Ileocecal Obstruction - **Dr. P. Mahalakshmi**

Guidelines for Poster Presentation

- ❖ Kindly prepare your poster as a single-slide PowerPoint presentation
- ❖ Please use 16:9 slide size PPT/PPTX format
- ❖ Maximum 1 slide only
- ❖ Presentation time: 3 minutes + 2 minutes discussion
- ❖ Please be available at the venue well before your allotted time
- ❖ Kindly adhere strictly to the allotted time
- ❖ Personal laptops will not be permitted

Recommended Slide Structure

1. Title, Authors & Institute
2. Introduction
3. Case presentation
4. Discussion
5. Conclusion

PROGRAMME - 09th May 2026, Saturday - HALL A

TIME	TOPIC	SPEAKER
08:00 - 09:00 Hrs	<p>ACUTE CARE SURGERY: Peri-operative Optimization Chairpersons: Dr. Vignesh Kumar, Dr. CR. Saravanan, Dr. M. Karthik</p> <p>Enhanced Recovery After Emergency Surgery (ERAES)-Are we there now?</p> <p>Optimizing Pain Management After Emergency Surgery</p> <p>Mastering Peri-operative Nutrition in Surgical Emergencies</p>	<p>Prof. Angeline Rajdou <i>Professor of Surgery ,PIMS (Retired) Dean's Council Member Indian College of Artificial Intelligence in Medicine.</i></p> <p>Dr. Vidya Mohanram <i>Senior Consultant & Head, Anaesthesiology, MGM Healthcare, Chennai</i></p> <p>Dr. Pushparani. A <i>Professor, Anesthesiology, SRM Medical College Hospital, Chennai</i></p>
09:00 - 10:00 Hrs	<p>ACUTE CARE SURGERY: Complex Scenarios Chairpersons: Dr. Dorai, Dr. A. Anandi, Dr. R. Lakshmana</p> <p>Obstructing Gut – Is Palliative Stoma Beneficial?</p> <p>Pancreatic Necrosis – Surgical Treatment</p> <p>Acute Cholecystitis in Complex Situations: Operate, Drain, or Delay?</p> <p>Bleeding GUT Tumors – To Resect or Not</p>	<p>Dr. Winston Noronha <i>Professor of Surgery, Meenakshi General Hospital and Dental College, Chennai</i></p> <p>Dr. Philip Joseph <i>Professor, HPB Surgery, Christian Medical College, Vellore</i></p> <p>Dr. Gilbert Samuel Jebakumar <i>Assistant Professor, HPB Surgery, Christian Medical College, Vellore</i></p> <p>Dr. Kishore Kumar R <i>Assistant Professor, Surgical Oncology, SRM Medical College Hospital, Chennai</i></p>
10:00 - 11:00 Hrs	<p>TRAUMA – Imaging Chairpersons: Dr. Senthil Kumar A, Dr. Rajeswaran R</p> <p>Imaging Protocol in Trauma</p> <p>CT Radiological Primary Survey for Clinicians</p> <p>Interventional Radiology in Trauma</p>	<p>Dr. Kirthi Sathyakumar <i>Professor, Radiodiagnosis, SRM Medical College Hospital, Chennai</i></p> <p>Dr. Bathrenathh <i>Assistant professor, department of Radiodiagnosis Sri Ramachandra institute of higher education and Research, Chennai</i></p> <p>Dr. Mohan Raj <i>Assistant Professor, Interventional Radiology, SRM Medical College Hospital, Chennai</i></p>

PROGRAMME - 09th May 2026, Saturday - HALL A

TIME	TOPIC	SPEAKER
11:00 - 11:45 Hrs	<p>TRAUMA: SYSTEMS & CAREERS Chairpersons: Dr. MC. Mishra, Dr. Nitin M Nagarakar, Dr. R. Venkatraman, Dr. Vijayakumar S</p> <p>Inclusive vs Exclusive Trauma Systems- What works for India</p> <p>Trauma & Acute Care Surgery as a Specialty-Past, Present and future</p> <p>Trauma & Acute Care Surgery as a Career Path</p>	<p>Dr. Amit Gupta <i>Professor, Division of Trauma Surgery & Critical Care, JPNATC, AIIMS New Delhi</i></p> <p>Dr. Sukria Nayak <i>Professor, General Surgery, Believers Church Medical College, Thiruvalla, Kerala</i></p> <p>Dr. Vijayan. P <i>Associate Professor, General Surgery, SRM Medical College Hospital, Chennai</i></p>
11:45 - 12:30 Hrs	<p>TRAUMA: SYSTEMS & CAREERS Panelists: Dr. MC Mishra, Dr. Nitin M Nagarakar, Dr. Amit Gupta, Dr. Venkataraman, Dr. Vijayakumar S, Dr. Sukria Nayak, Dr. Vijayan. P</p> <p>Panel discussion on Trauma Systems & Careers</p>	<p>Moderator: Dr. Joses Dany James <i>Associate Professor, Trauma Surgery, Christian Medical College, Vellore</i></p>
12:30 - 13:30 Hrs	<p>TRAUMA & ACUTE CARE SURGERY: Debates & Evidence based discussion Chairpersons: Dr. B. Nembian Raja Rajan, Dr. Vijayan. P, Dr. Angeline Rajdou</p> <p>SSRF vs Conservative Management Debate</p> <p>Top 5 Practice-Changing Trauma Papers</p> <p>Top 5 Practice-Changing Acute Care Surgery Papers</p>	<p>Dr. Preksha rani <i>Assistant Professor, General Surgery, SAIMS, Indore</i></p> <p>Dr. Joses Dany James <i>Associate Professor, Trauma Surgery, Christian Medical College, Vellore</i></p> <p>Dr. Vignesh Kumar <i>Associate Professor, General Surgery, Pondicherry Institute of Medical Sciences, Pondicherry</i></p>
13:30 - 14:00 Hrs	LUNCH BREAK	
14:00 - 15:00 Hrs	<p>EMERGENCY DEPARTMENT II Chairpersons: Dr. V.P.Chandrasekaran, Dr. M. Bhavani, Dr. Arthi Rajendran</p> <p>Decision-Making in Trauma bay</p> <p>Emergency Airway Management: What Every ED Team Must Know</p> <p>When to Call the Surgeon: Red Flags in the Emergency Department</p>	<p>Dr. Aruna Ramesh <i>Professor & HOD, Emergency Medicine, MS Ramaiah Medical College, Bengaluru</i></p> <p>Dr. Gomathi Karmegam <i>Professor & HOD, Emergency Medicine, Madras Medical College</i></p> <p>Dr. B. Kanchanamala <i>Professor & HOD, Emergency Medicine, Kilpauk Medical College</i></p>

PROGRAMME - 09th May 2026, Saturday - HALL A

TIME	TOPIC	SPEAKER
15:00 - 16:00 Hrs	TRAUMA BEYOND: Perineum, Limb and Awareness Chairpersons: Dr. Joses Dany James, Dr. Philip Joseph Perineal Trauma: When to Divert, Debride and Reconstruct Amputation – When & How to Decide Community First Responder Programme	Dr. Shankarnath. S <i>Assistant Professor, General Surgery, St. John's Medical College Hospital, Bengaluru</i> Dr. Khalilur Rahman A <i>Professor, General Surgery, Saveetha Medical College, Chennai</i> Rabeesh Kumar <i>Nursing Officer, JIPMER, Pondicherry</i>
16:00 - 16:30	TRAUMA: Solid Organ Injury Chairpersons: Dr. Amit Gupta, Dr. Winston Noronha, Dr. Vignesh Kumar AAST Grading Systems – Should We Still Follow It? Failure of Non-Operative Management in Solid Organ Injuries: When to Intervene	Dr. Athish. K <i>Consultant, Trauma Surgery, Medical Trust Hospital, Kochi</i> Dr. Raajeshwaran M A <i>Junior Consultant, Trauma Surgery & Critical Care, Lisie Hospital, Kochi</i>
HIGH TEA
